## Welcome to ICGET 2024

Welcome to the 9th International Conference on Green Energy Technologies to be held during July 21-23, 2024 in Berlin, Germany. ICGET serves to foster communication among researchers and practitioners working in a wide variety of scientific areas with a common interest. The conference is also an excellent forum for scientists, engineers throughout the world to present and discuss the latest technological advancement as well as future directions and trends in the field. The conference has been held in various cities including Frankfurt, Rome, Amsterdam, Kuala Lumpur, etc., hope to see you in 2024!

## CALL FOR PAPERS

### Renewable Energy and Clean Energy

Wind Power, Hydropower, Solar Energy  
Biomass, Biofuel  
Geothermal Energy, Wave Energy, Tidal energy  
Hydrogen Energy Technologies  
Waste to Energy  
Fuel Cells and Energy Storage  
Electro-Chemical Energy System  
Hybrid RESSs  
Sustainable Energy Development  
Sustainable Energy Technology  
Green Energy in Transport  
Performance Analysis of RESSs

### Renewable Energy Power Generation and Grid Connection

Environment Friendly Energy Systems  
Energy Processes and Conversion Systems

## PUBLICATON

Papers submitted to the conference, after the careful peer reviewing process, accepted, registered and presented papers will be published into **conference proceedings**. The proceedings will be sent for indexing by major databases including **EI compendex, Scopus, SCImago**, etc.

**ICGET2023** Springer Book Series Green Energy and Technology Major databases including EI compendex, Scopus, SCImago.

**ICGET2022** Proceedings are available in Energy Reports Volume 8, Supplement 14  
Index by: SCIE | EI Compendex | Scopus

Battery Energy Storage System  
Smart Grids and RESSs  
Sustainable Electrical Energy Systems  
Intelligent Integration of Renewable Energy Technologies  
Vehicle-to-Grid  
Green Power  
**Green Energy Policy and Development**  
Electrical Vehicles  
Green Energy and Energy Access  
Green Energy Localization  
Green Energy Security  
Green Energy Resources  
Green Energy Consumption  
Sustainable Energy Diversity  
New Trends and Technologies for RESSs  
For more topics please visit: <http://icget.org/cfp.html>

## IMPORTANT DATES

Paper Submission Deadline:

February 25, 2024

Notification Deadline:

March 20, 2024

Registration Deadline:

April 5, 2024

## SUBMISSION GUIDELINES

- ✓ Papers for publication must be submitted in full paper electronically via:  
<http://confsys.iconf.org/submission/icget2024>
- ✓ Or you can choose submit to email: [icgetconf@163.com](mailto:icgetconf@163.com).
- ✓ If you want to present your research on ICGET 2024, NO publication purpose, please refer to Oral Presentation ONLY, abstract must to be submitted
- ✓ At least one of the authors listed on the accepted paper must pay the registration by the requested registration deadline.
